THE LORD OF THE RINGS

LA SALLE À MANGER

 Cet étage abrite la grande salle à manger de Barad-dûr™. Gothmog™, le général des orques du Morannon, est là pour superviser la préparation et le service des repas. En campagne, les Orques n'ont pas toujours droit à des repas réguliers. Mais ici, la longue table à manger regorge de boissons et de mets savoureux pour le général et ses hommes. Un ragoût composé d'ingrédients douteux (et peut-être quelques ingrédients plus familiers en complément) mijote dans un large chaudron suspendu au-dessus de la cuisinière à lave. Un compartiment caché dans le mur de gauche renferme les secrets concernant les Anneaux de pouvoir forgés pour les Elfes.

« Sur les terres du Mordor, Sauron, le Seigneur des ténèbres, forgera en secret un maître anneau pour gouverner tous les autres. Dans cet anneau, il déversa sa cruauté, sa malveillance et sa volonté de dominer toute vie. Un anneau pour les gouverner tous. » – Galadriel™

Le recoin dissimulé dans les rochers renferme les modèles des trois anneaux donnés aux Elfes.

Gothmog™ est le premier lieutenant du Roi-sorcier, célèbre pour avoir mené l'attaque contre Osgiliath et, aussitôt après, le siège de Minas Tirith.

L'architecture de la forteresse (sombre, acérée et d'une hauteur qui semble infinie) reflète le personnage de Sauron™ et la façon dont il se perçoit lui-même.
