El comienzo de una aventura interminable

Desde que se publicaron por primera vez en 1926, las intemporales aventuras de Winnie the Pooh y sus amigos han conquistado el corazón de niños de todas las edades. Generación tras generación, los papás han leído las historias a sus peques y siguen descubriendo en los libros nuevos significados y tesoros ocultos.

Entra, únete a Christopher Robin y sus amigos animales en el Bosque de los Cien Acres y explora un mundo lleno de recuerdos de tu infancia.

Welcome to the Hundred Acre Wood

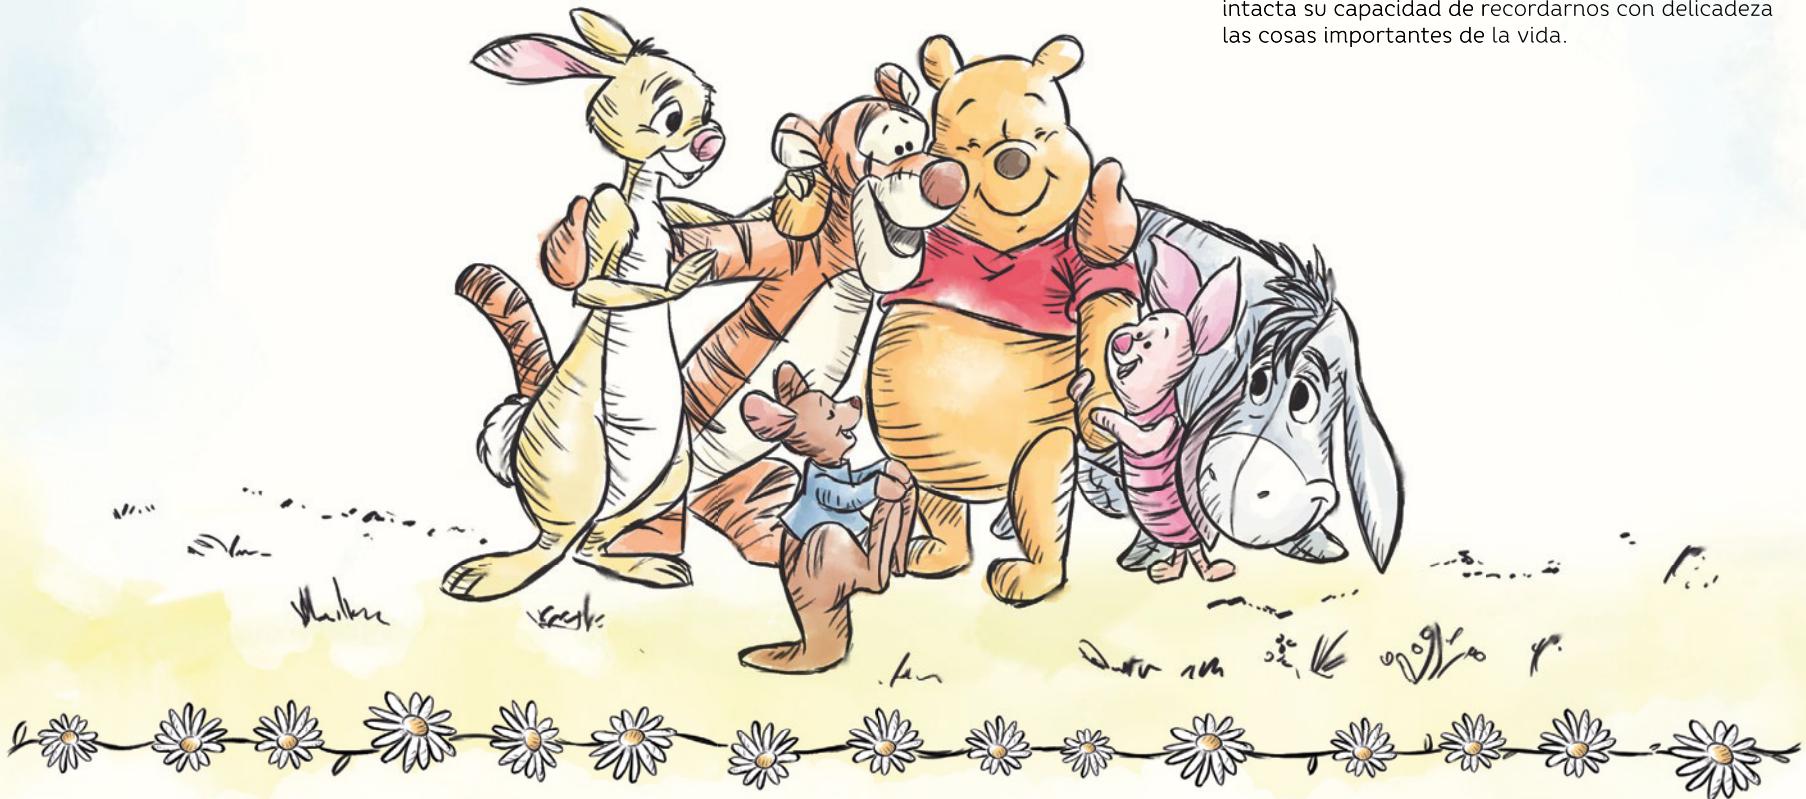

Even after almost a hundred years, the Hundred Acre Wood is still home to our favorite group of animal friends from our childhood stories. Eeyore's gloomy outlook, Tigger's boundless enthusiasm, Rabbit's controlling, practical approach to life, Owl's knowledge (even when he doesn't know what he's talking about), Piglet's innocent worries, Kanga's motherly love, and not least Pooh's inadvertently witty wisdom – keep gently reminding us what's important in life..

Bienvenue dans la forêt des rêves bleus

Même après presque cent ans, la Forêt des rêves bleus abrite toujours les chers amis animaux des histoires de notre enfance. L'attitude pessimiste de Bourriquet, l'enthousiasme inépuisable de Tigrou, la façon pratique et directe d'aborder la vie de Coco Lapin, le savoir de Maître Hibou (même quand il ne sait pas de quoi il parle), les inquiétudes naïves de Porcinet, l'amour maternel de Grand Gourou et la sagesse spirituelle, bien qu'involontaire, de Winnie nous rappellent ce qui compte vraiment dans la vie.

Te damos la bienvenida al Bosque de los Cien Acras

Aunque haya transcurrido casi un siglo, el Bosque de los Cien Acres sigue siendo el hogar de nuestro grupo favorito de amigos animales, el mismo que conocimos en los relatos que nos contaban de pequeños. El carácter pesimista de Igor, el desbordante entusiasmo de Tigger, la actitud práctica y controladora de Conejo ante la vida, los conocimientos de Búho (incluso cuando no tiene ni idea de lo que habla), los inocentes temores de Piglet, el amor maternal de Cangu y, por último, pero no por eso menos relevante, la sabiduría inadvertidamente ingeniosa de Pooh mantienen intacta su capacidad de recordarnos con delicadeza las cosas importantes de la vida.

Winnie the Pooh always sees the best in others. With his flawless logic, confident curiosity and a healthy appetite for honey, he is the heart of the Hundred Acre Wood, and cares for all his friends on their adventures.

Winnie l'ourson voit toujours le meilleur des autres. Avec sa logique irréprochable, sa curiosité confiante et son grand appétit pour le miel, il occupe une place importante au cœur de la Forêt des rêves bleus, et prend bien soin de ses amis tout au long de leurs aventures.

Winnie the Pooh siempre ve lo mejor de los demás. Con su lógica impecable, desenvuelta curiosidad y desmedido apetito de miel, es el corazón del Bosque de los Cien Acres y cuida de todos sus amigos en sus aventuras.

Winnie the Pooh's best friends forever (and even longer)

Tigger is positively passionate about absolutely everything! His boundless energy and enthusiasm for his most recent **BEST** idea in the whole world is matched only by his fascination with his **NEXT** fantastic idea.

Rabbit takes great pride in being organized and is always keen to take charge in any situation. Whether that given situation actually requires a leader or not, well, that's an entirely different question.

Eeyore has a proclivity for gloom and doom that makes him afraid of being overlooked, but it's also sweetly endearing. Despite his protests, he really does want to be included in his friends' fun.

Despite his size and trepidation about almost everything (sparked mostly by his vivid imagination), tiny little Piglet is the bravest of the bunch and Pooh's best friend forever, and even longer, in the Hundred Acre Wood.

Les meilleurs amis de Winnie l'ourson pour toujours (et plus longtemps encore)

Tigrou est positivement passionné par absolument tout ! Son énergie inépuisable et son enthousiasme pour sa plus récente **MEILLEURE** idée du monde n'ont d'égal que sa fascination pour sa **PROCHAINE** idée fantastique.

Coco Lapin accorde beaucoup d'importance à l'organisation et est toujours prêt à prendre les commandes peu importe la situation. Est-ce que la situation nécessite réellement un chef ? Eh bien, c'est là une tout autre question.

Bourriquet a tendance à sombrer dans la morosité et à craindre d'être oublié, mais il n'en est pas moins attachant. Malgré ses protestations, il veut vraiment que ses amis l'incluent dans leurs activités.

Malgré sa taille et ses inquiétudes face à presque tout (suscitées principalement par son imagination fertile), le petit Porcinet est le plus courageux de la bande et le meilleur ami de Winnie pour toujours, et plus longtemps encore, dans la Forêt des rêves bleus.

Los mejores amigos para siempre (y toda la eternidad) de Winnie the Pooh

Tigger es un incansable apasionado de absolutamente todo! La inagotable energía y el infinito entusiasmo que muestra cuando se le acaba de ocurrir la MEJOR idea del mundo solo es comparable con su fascinación por su SIGUIENTE idea maravillosísima.

Conejo se enorgullece de ser organizado y le encanta hacerse cargo de cualquier situación, sea la que sea. Tanto si la situación requiere que alguien tome el mando como si no; eso, digamos, sería cuestión aparte.

Igor tiene una constante inclinación a ver el lado negro de la vida que lo hace temer a ser ignorado, pero también una dulzura que desarma. A pesar de andar siempre protestando, sí que quiere que se le incluya en las divertidas andanzas de sus amigos.

Pese a su tamaño y el miedo que le da prácticamente todo (provocado en gran medida por su fértil imaginación), el diminuto Piglet es el más valiente del grupo y el mejor amigo para siempre (y toda la eternidad) de Pooh en el Bosque de los Cien Acres.

Meet Ben Alder

Ben Alder – aka benlouisa – lives in Suffolk, England with his wife, Louisa, and two young children, Joshua and Elsie. His love of Winnie the Pooh was sparked early in life when his parents read the books to him. His other childhood passion, building with LEGO® bricks, was rekindled five years ago when his son was born. Now, as a parent himself, life seems to come full circle when he can share those passions with his own family.

“The Winnie the Pooh stories are still very dear to me, and now our kids love them, too. It’s so much fun to watch their imaginations at work! Even my wife started building LEGO sets, and it’s a great way for us to relax and spend time together as a family. That’s how the 21326 Winnie the Pooh was created – to bring our bedtime stories to life. I can’t thank everyone who supported my little creation enough! I hope you will love building it for yourself or with your own family.”

Rencontre avec Ben Alder

Ben Alder – alias benlouisa – vit dans le Suffolk, en Angleterre, avec sa femme, Louisa, et ses deux jeunes enfants, Joshua et Elsie. Son amour pour Winnie l’ourson lui est venu très tôt, lorsque ses parents lui ont lu les livres. L’autre passion de son enfance, la construction avec des briques LEGO®, lui est revenue il y a cinq ans, à la naissance de son fils. Maintenant parent lui-même, il sent que la vie recommence son cycle et qu’il peut désormais partager ses passions avec sa propre famille.

« Les histoires de Winnie l’ourson me sont encore très chères, et maintenant elles le sont aussi pour nos enfants. C’est tellement amusant de voir leur imagination en action ! Même ma femme a commencé à construire des ensembles LEGO, et c'est un excellent moyen pour nous de nous détendre et de passer du temps ensemble en famille. C'est ainsi que l'ensemble 21326 Winnie l'ourson est né – pour donner vie aux histoires qui ont berçé notre enfance. Je remercie infiniment tous ceux qui ont soutenu ma petite création ! J'espère que vous allez adorer construire le modèle par vous-même ou avec votre propre famille. »

Conoce a Ben Alder

Ben Alder (alias benlouisa) vive en Suffolk (Inglaterra) con su mujer, Louisa, y sus dos niños pequeños, Joshua y Elsie. Su amor por Winnie the Pooh despertó a una temprana edad, cuando sus papás le leían los libros del entrañable oso. La otra pasión de su infancia, construir con bricks LEGO®, se reavivó hace cinco años con el nacimiento de su hijo. Ahora, ya como papá, la vida parece haber cerrado el círculo y es él quien comparte esas pasiones con su propia familia.

“Sigo teniendo un cariño especial por las historias de Winnie the Pooh y, ahora, nuestros hijos también las adoran. ¡Es muy divertido ver cómo ponen a funcionar su imaginación! Incluso mi mujer empezó a construir modelos LEGO, y se ha convertido en una manera fantástica de relajarnos y pasar tiempo juntos en familia. Así es como surgió el set Winnie the Pooh (21326): con la intención de dar vida a nuestros cuentos para dormir. ¡No tengo palabras para agradecer lo suficiente el respaldo de todos los que apoyaron mi pequeña creación! Espero que disfruten construyéndola para ustedes o con su familia”.

“The Tigger element was a great challenge, but the final appearance looks so good. I love the minifigures and Ben’s model and the stories about these characters. I know this set will bring lots of joy to children and parents around the world.”

– Ann Chen, LEGO® Element Designer

“This set is a dream come true for Winnie the Pooh fans. I was really impressed with Ben’s attention to detail, and I was crazy about the figures. It was a perfect interpretation of A. A. Milne’s characters and definitely inspired by Ben’s passion, creativity and his kids.”

– Felipe Silva Telles, Senior LEGO® Element Designer

“Just like the author, A. A. Milne, Ben is clearly a man who loves his kids very much, and he made this elaborate model entirely for them. With this in mind, as a Graphic Designer, I wanted to add some Easter eggs for him. He should take a good look at some of the stickers!”

– Ashwin Visser, LEGO® Graphic Designer

Ben added a lot of great details inside Pooh’s house. We’ve added a few more, including the box of ‘Poohsticks’ in the rafters, and swarms of bees flying around the beehives. And notice the new coral elements in the tree – it creates a much more organic look!”

– Ilia Gotlib, Senior LEGO® Designer

“Ben made great use of bow elements in different layers and heights to make the tree a convincing representation of Pooh’s house. It’s full of details I know fans will love. So much care and passion went into making the model, graphics and elements the best they could be!”

– Simon Wilson, Senior LEGO® Element Designer

« L’élément de Tigrou était un défi de taille, mais son apparence finale est magnifique. J’adore les figurines, le modèle de Ben et les histoires de ces personnages. Je sais que cet ensemble apportera beaucoup de joie aux enfants et aux parents du monde entier. »

– Ann Chen, concepteur d’éléments LEGO®

« Cet ensemble est un rêve devenu réalité pour les amateurs de Winnie l’ourson. J’ai été très impressionné par l’attention que Ben a portée aux détails, et les figurines m’ont charmé. C’était une interprétation parfaite des personnages de A. A. Milne, clairement inspirée par la passion et la créativité de Ben et par ses enfants. »

– Felipe Silva Telles, concepteur principal d’éléments LEGO®

« Tout comme l’auteur, A. A. Milne, Ben est de toute évidence un homme qui chérit ses enfants, et ce modèle élaboré a été entièrement fait pour eux. Dans cette optique, en tant que graphiste, j’ai voulu ajouter quelques œufs de Pâques pour lui. Il devrait porter une attention particulière à certains des autocollants ! »

– Ashwin Visser, graphiste LEGO®

« Ben a ajouté un grand nombre de détails à l’intérieur de la maison de Winnie. Nous en avons ajouté quelques-uns, dont la boîte du jeu de bâtons dans les chevrons, et des essaims d’abeilles volant autour des ruches. Vous remarquerez les nouveaux éléments de corail dans l’arbre; ils lui donnent un aspect encore plus organique ! »

– Ilia Gotlib, concepteur LEGO® principal

« Ben a fait grand usage des éléments d’arc sur différents étages et hauteurs pour faire de l’arbre une représentation convaincante de la maison de Winnie. Il y a de nombreux détails que les amateurs vont adorer. Beaucoup d’amour et de passion ont été investis pour rendre le modèle, les images et les éléments absolument parfaits ! »

– Simon Wilson, concepteur principal d’éléments LEGO®

“La minifigura de Tigger significó un gran desafío, pero su aspecto final se ve realmente bien. Me encantan las figuras y el modelo de Ben, y las historias sobre estos personajes. Sé que este set llevará montones de alegría e ilusión a muchos papás y niños en todo el mundo.”

– Ann Chen, diseñador de elementos de LEGO®

“Este set es un sueño hecho realidad para los fans de Winnie the Pooh. Me impresionó mucho la atención al detalle de Ben, ¡y las figuras me volvieron loco! Eran una interpretación perfecta de los personajes de A. A. Milne, inspirada con total seguridad en la pasión y la creatividad de Ben, y en sus hijos”.

– Felipe Silva Telles, diseñador de elementos senior de LEGO®

“Al igual que el autor, A. A. Milne, Ben es sin duda un hombre que adora a sus hijos, y creó este elaborado modelo especialmente para ellos. Partiendo de esa premisa, como diseñador gráfico, quise introducir algunas sorpresas dedicadas a él. ¡Debería mirar bien las calcomanías!».

– Ashwin Visser, diseñador gráfico de LEGO®

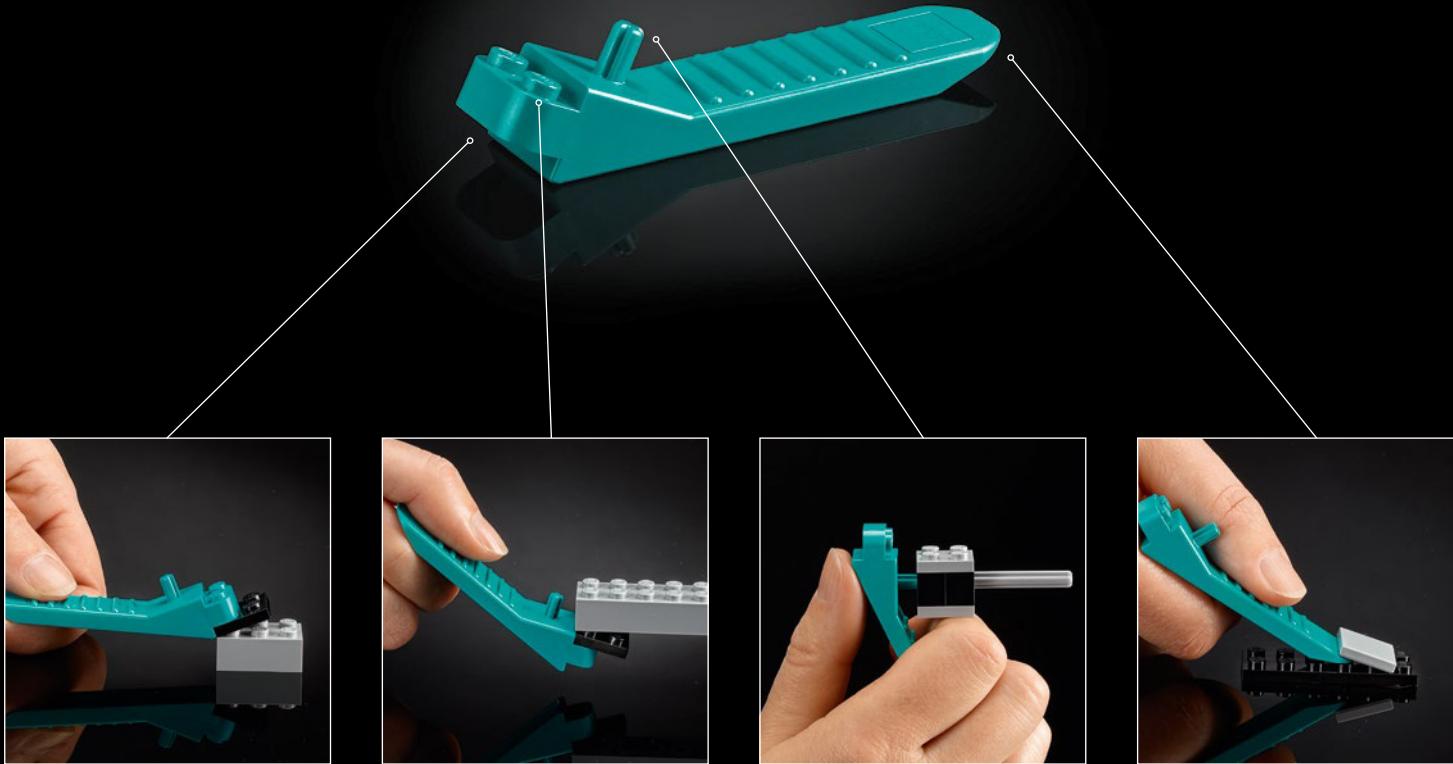

“Ben incorporó un montón de fantásticos detalles al interior de la casa de Pooh. Nosotros añadimos unos cuantos más, como la caja del juego de los palos de Winnie que hay en las vigas y los enjambres de abejas que vuelan alrededor de las colmenas. Y reparen también en los nuevos elementos de color coral en el árbol: ¡crean una sensación mucho más orgánica!».

– Ilia Gotlib, diseñador senior de LEGO®

“Ben hizo muy buen uso de los elementos con forma de arco en diferentes capas y alturas para que el árbol fuera una representación convincente de la casa de Pooh. Está repleto de detalles que sé que encantarán a los fans. ¡Se puso tanto cuidado y pasión en hacer el modelo, los motivos gráficos y los elementos de la mejor manera posible!».

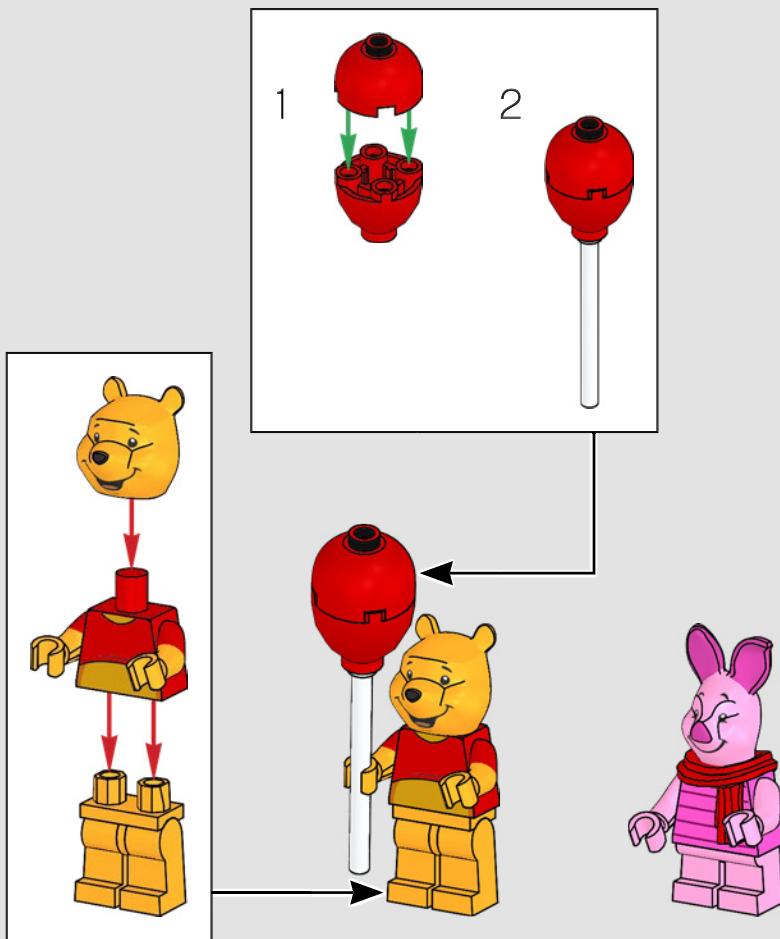

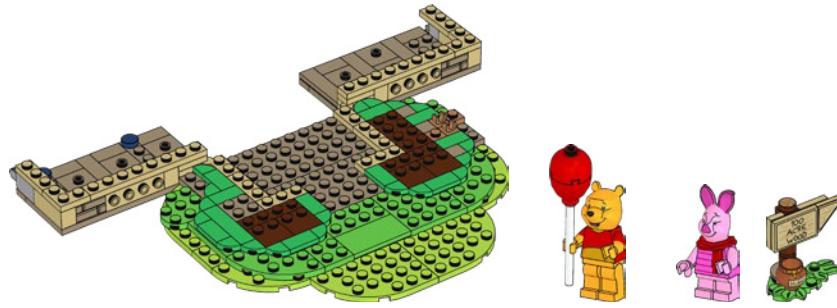

– Simon Wilson, diseñador de elementos senior de LEGO®
